Cancer Society Drive For Funds Is Underway

Mrs. Helen Neddo, president of the Crows Nest Pass branch of the Canadian Cancer Society last week announced that the annual campaign for funds will get underway in the Pass area during the next few weeks.

A recent successful Cancer work shop was held in the Catholic hall in Coleman to spearhead the drive for funds.

The entire district has been divided into zones and the canvass in Coleman will be conducted by the Coleman Legion Ladies' Auxiliary and the Pythian Sisters, at the Lime Works by Mrs. Aileen Kimo; at Bellevue, by the high school students under Frank Sickoff; at Hillcrest, by the Pythian Sisters; at Frank, by Mrs. Caroline Puch, and Mrs. O. Vejpravai; at Burnis, by Mr. Eastman; at Cowley, by Clarence Weekes; at Lundbreck, by Stan Naslund, and at Beaver Mines by Mrs. J. Osowski.

Arrangements are being made to have an organization canvass the town of Blairmore and a chairman for the Maycroft district is being contacted.

John R. Meakins, has been named supervisor of the newly established Athletics and Outdoor Recreation Division of the Alberta Recreation and Cultural Development branch.

A native Edmontonian, Mr. Meakins is well known as a former member of the Calgary Stampeder Football Club, and as a player-assistant coach in the United States college football.

Receiving his elementary education at Edmonton, Mr. Meakins attended Montana State University on a football scholarship. During his three-year attendance at Montana State, Mr. Meakins also played with the Calgary Stampeder Football team during the regular season.

Transferring to University of Alabama he was named assistant coach of that team under the direction of well known United States college football coach Paul Bryant. Mr. Meakins graduated in 1959 with a Bachelor of Education degree from that college and during 1960 received his Master's degree, majoring in school administration and Health, Physical Education and Recreation.

In the role of supervisor of the Athletics and Outdoor Education Division of the branch, Mr. Meakins will be concentrating on promoting athletic clinics throughout the province on a wider scale than was previously possible.

Track, field and similar sports will be emphasized more than the established sports which are self-operating. Recreational activities of interest to all ages and occupations will be the main theme of the widespread program.

POLICE WARNING

ANY person discharging any kind of offence weapon or FIREARM inside the limits of The Town of Coleman are subject to a fine of \$100.00 and costs and 60 days imprisonment. A person may be fined the \$100.00 and sent to prison for 60 days also. Serious complaints of late are making it impossible for the Police to give further warnings and PROSECUTION is imperative.

Joe Plante Retires After 50 Yrs. Service

Joe Plante, a familiar figure around Coleman will give up his duties of hauling express and freight for the C.P.R. after having served in this capacity for the past fifty years.

Mr. Plante, now 72 years of age, will go into retirement as of May 11th. Born in a small community near Lambert, Minnesota, on September 14, 1888, he came to Coleman in 1903 and gained his first employment here building the present Coleman Hotel.

Mr. Plante worked on a number of other various jobs for several years before he and the late Harry Antle went into the coal hauling business in Coleman.

The late Mr. Antle died July 27, 1939, as the result of an accident he had when he was struck in the chest by a log that rolled off a truck they were unloading.

Since this time Mr. Plante has carried on the dray business and has become a very well known and highly esteemed citizen of the town. He served on the Coleman town council for three terms during the 1930's and is also a charter member of the Coleman Elks Lodge.

He was presented with a 35 year membership pin at an occasion held at the Elks hall last year.

Mr. Plante was also a member of the former Coleman Oddfellows Lodge and was a Noble Grand of the lodge as well as a Noble Grand of the Victoria Rebekah

Lodge. Looking back over the years Mr. Plante plainly recalls when the business was operated with a horse and wagon with the first truck being put into service in 1924. Horses and wagons were used in conjunction with trucks until 1936 when the business was completely motorized.

Mr. Plante married Mabel Johnson in Coleman United Church on March 6, 1912, when ceremonies were performed by the Rev. T. M. Murray. The family have lived in Coleman since.

Mr. and Mrs. Plante have four sons, Douglas, Norman and Lorne, all of Coleman, and Bill of Red Deer; two daughters, Verta, of Coleman, and Mrs. Mickey (Norma) Lund of Williams Lake, B.C.; and 13 grandchildren.

Mr. Plante has one sister, Ethel Seale of California, and two brothers, Charles of Seattle, Wash., and John in Glenhead, Alberta.

Both Mr. and Mrs. Plante are enjoying fair health. The Journal joins with their many friends in wishing Mr. and Mrs. Plante many years of good health and happiness in which to enjoy the leisure they so richly deserve.

Home & School Receives Charter

The regular meeting of the Coleman Home and School Association was held in the school auditorium Monday, April 17 and was attended by some 25 parents and guests.

The Nominating committee presented the names of the new slate of officers they had selected for the coming season which will comprise:

President, Mrs. Helen Kropinak. Vice-president, Helen Neddo. Secretary, Mrs. Margaret Johnson.

Treasurer, Mrs. Isobel Spiveak. Corresponding Secretary, Mrs. Emily Misura.

During the evening Mrs. Helen Neddo gave an interesting report on the recent convention she had attended in Banff.

The Regional Director, Edward Kiddle of Claresholm, gave an informative talk on the purpose of the Home and School Associations and the need for a strong organization. Following his interesting talk Mr. Kiddle called on President Mrs. Kropinak and presented her with the Coleman Home and School Association Charter. After receiving the Charter, Mrs. Kropinak called on the Association's first president, and presented Mrs. Zak with her past president's pin.

The room attendance prize was won by Mrs. Malauchuk's grade seven room. Following a lunch, served by the committee, the meeting adjourned.

Local Witnesses To Attend Convention

Mr. W. L. Krish, presiding minister of the local congregation of Jehovah's Witnesses, announced today that the Coleman unit of Jehovah's Witnesses will be attending a three-day semi-annual Circuit Assembly, to be held at the Taber Community Centre, Taber, Alberta, on May 3-7.

Mr. Krish will head the local delegation of about 10 persons.

Upwards of 350 are expected to attend the convention, which takes in seven congregations in southern Alberta, from Taber to Coleman.

The theme of the Assembly will be "Walk in the Name of Jehovah Forever".

Mr. Krish reports that the final public address to be given at 3 p.m. Sunday, May 7 by Mr. D. Mills, a district supervisor, will be one of more than passing interest to lovers of righteousness, being entitled "The Twentieth Century in Bible Prophecy".

Fire Loss Is Small

The Coleman Volunteer Fire Brigade made short work of a fire that started in a frame home in East Coleman around 8 p.m. on Wednesday evening, April 19th.

Owner of the home, Tom Yacubiec was later taken to the Crows Nest Pass Municipal Hospital where he was given treatment for the considerable amount of smoke he had inhaled.

Fire was held to the kitchen section of the home and some smoke and water damage was done to the interior of the home.

Insurance was carried. Mr. Yacubiec is reported in good condition.

Coleman Old-timer To Reside In Tasmania

Mrs. Dai Holly recently left for Tasmania where she will reside in the future with her son and daughter-in-law. She travelled via TCA. She and her husband, the late Mr. Dai Holly, came to Coleman in the year 1929 from Wales.

Old friends in Coleman wish her happiness and good health in her new surroundings.

The home of Mrs. Holly on 5th Street, has been purchased by Mr. and Mrs. J. Krall of Calgary.

Lions Planning To Build Scout Hall

Coleman Lions Club held its regular monthly meeting last week when plans for the proposed Lions Scout Hall in Coleman were further discussed.

Plans at present call for the building to be a two-storey structure with the ground floor to be a Lions Scout Hall and the top portion to house a local museum to display such items as mining equipment that played a part in the development of coal mines in this area.

The Lions are trying to get a site in the area of the town park so that the building could be built against the side of the hill in the park so that access to the museum section could be gained from the ball diamond and rodeo ground west of the park.

It was reported at the meeting that the paper bricks to raise the funds for the Lions Scout Hall are now on sale. The paper bricks are to be sold around town to individuals so that all in the district can have the opportunity of buying the bricks to aid the Lions in this venture.

Secret plans for the biggest piggy bank in the world were also discussed at the meeting and the tremendous piggy bank is soon to be brought forth to the general public. All money put inside the bank is earmarked for the Scout Hall. The Lions also conduct semi-monthly bingos to raise funds for the hall.

During the evening the matter of the Coleman Public Library was brought up and the Lions donated the sum of \$50.00 towards this project being undertaken by the Coleman Home and School Association. Lion president, John Owen, was appointed a Lion representative on the Library committee.

It was also reported that progress was being made on the library premises which will be in the Coleman Miners Union hall.

Nurses' Assn. Elect Officers

The Crows Nest Chapter of the A.A.R.N. held a meeting at the home of Nettie Kinnear of Coleman last week when a new slate of officers were elected to office.

To head the Association are: President, Nettie Kinnear. Vice-president, M. Harry Secretary, S. McLeod. Treasurer, V. Nyström. Press Correspondent, H. Westley. The Entertainment committee will comprise Miss E. Higgs and Margaret Jackson, and the Sick committee, A. Murdoch, M. Dudy and D. Krebes.

The group will sponsor a draw for a tri-lamp on May 11th with proceeds from the affair being earmarked for the Nurses' Scholarship Fund, sponsored by the local Association.

At the conclusion of the meeting lunch was served by the committee comprising Miss E. Higgs and M. Johnson.

Holy Name Church Solemnly Blessed

The new church and rectory of the Holy Name at 34th Street and 23rd avenue, S. W., Calgary, was solemnly dedicated on Sunday, the ninth of April.

Most Rev. Francis P. Carroll, Bishop of Calgary, officiated at the Blessing Ceremony, assisted by Rev. Armand Lemire, Calgary, and Rev. Francis Van Tighen, of Taber. Rev. Raymond Lowing was master of ceremonies.

The Solemn Mass of Dedication was offered by the pastor, Rev. Leo Sullivan. The sermon was preached by Rev. Francis Dales, C.S.R. The church, which seats 600 people, was filled to capacity and among the clergy present were Rt. Rev. N. R. Anderson, St. Joseph's; Very Rev. J. Le Fort, St. Ann's; Very Rev. J. O'Brien, St. Gerard's; Very Rev. Adam Sebastian, O.F.M. Provincial; Revs. Reg Sullivan and John Fetherston, St. Anthony's; A. Anderson, St. Michael's; J. C. Lynett, St. John's; A. Hamilton, Carstairs; F. Trudeau, Corpus Christi; E. Cooney, Claresholm; P. Walsh, St. Pius; E. Flanagan, J. Toole, Cathedral; J. Whelan, C.S.B.; J. Kelly, C.S.B.; B. McCarron, C.S.B. Dunstan McLellan, O.F.M., St. Francis; J. Sullivan, Spruce Grove; Chas. McLellan, Holy Name.

The parish of Holy Name, Calgary, was established in June, of 1954, by a division of Sacred Heart parish, with Rev. Leo Sullivan as pastor.

Mass was offered at first in St. Charles School, but by December, 1954, a temporary church had been erected.

Owing to the growth of the area, Holy Name parish was divided in 1958 and St. Michael's parish established. In the same year, Holy Name was given an assistant priest in Rev. Chas. McLellan.

The construction of the permanent church was begun in the summer of 1960 and completed for the Dedication ceremony.

The Western Catholic. The Church rectory and a two-car garage is a one-unit brick structure and when completely furnished will cost approximately \$220,000.

The Rev. Leo Sullivan, who will be well remembered by many in Coleman and the Pass, was the Pastor of Holy Ghost Church here from 1940 to 1954.

Pep's Restaurant Officially Opened

Pep's Coffee Shop and Restaurant on Coleman main street, was officially opened Friday after the premises had been completely renovated and enlarged.

For the special occasion Mr. and Mrs. Olivia served the many visitors coffee and doughnuts.

The interior of the cafe was gaily decorated with many bouquets of flowers, the gifts of the couple's many friends.

A large well decorated cake was also donated to the couple for the occasion.

The fully modern restaurant now features seven booths, 14 stools, and will be open daily from 6:00 a.m. to 1:00 a.m. All the latest equipment is being used in the cafe.

A newly designed Alberta Government float will be available for participation in Fairs, Sports Days and other celebration parades held in Alberta communities during the summer.

The float is a successor to the previous display that visited 24 Alberta communities during the past year in response to 51 requests for participation. Difficulties of weather, transportation and conflicting dates made it impossible

for that display to visit all points requesting its attendance. It made its first appearance at Delburne, May 4th, and its last appearance at the Dunsmuir Bridge opening ceremonies August 31.

The new float features the "Buy Alberta" motif and displays prominently the floral emblem of the province, the wild rose, and the official Alberta crest at either end of the display. Between two central panels illustrating the industrial

version of the wild rose, being used as symbol of the "Buy Alberta" campaign.

Communities wishing to have the float included in their programs during the coming summer should write Director of Advertising, Department of Industry and Development, Legislative Buildings, Edmonton. Requests will be considered in the sequence of their receipt.

Bride-elect Is Honored

On April 4th the United Church
hall was the scene of a bridal
shower held in honor of Miss Car-
rie Horn, bride-elect, sponsored
by the local C.G.I.T. girls.

On entering the hall the guest
of honor was presented with a cor-
sage by Miss Donna Nelson, and
her mother, Mrs. G. Horn, was
also presented with a corsage by
Miss Annie May Taggart.

They were escorted to the head
table to the strains of the "Wed-
ding March" played by Miss Wes-
lyn Dunford, and were seated un-
der a canopy of multi-colored bal-
loons which were laden with con-
fetti.

Games and contests were the
entertainment of the evening.

A banquet was then served by
the girls. The table was centered
with a bouquet of spring flowers.

Miss Judy Coover, on behalf
of the guests assembled, presented
Miss Horn with a basket laden with
many beautiful and useful gifts.
At this time the confetti-laden bal-
loons were released and showers
of confetti were in order.

Miss Horn expressed her ap-
preciation and in a few well-cho-
sen words thanked the girls for the
memorable event and all present
for the beautiful gifts.

Lions Announce Bingo Winners

The Coleman Lions Club held a
bingo night Wednesday, April 19,
and although the jackpot prize of
\$150.00 cash was not won in 59
numbers, the consolation prize was
won by Eleanor Sygutek of Blair-
more.

The consolation prize on the \$30
jackpot in 55 numbers was award-
ed to Mrs. M. Fauville of Cole-
man.

Winners of other cash prizes:
\$12, Mrs. Bob Parry, Coleman.
\$10, Flora Mickles, Blairmore.
\$21 split between Violet Wavre-
can and Mrs. Parry of Coleman.
\$10 cash, twice, Ed Nuttall, of
Blairmore.

\$12, Rina Rinaldi of Coleman.
\$12, split among Mrs. E. Rivard
of Blairmore, Jim Svoboda of
Frank and George Aristone, Cole-
man.

\$10, Emma Dypolt, Frank.
\$10.50 split by George Dewart
and Ethel Schlagel of Bellevue
and Mrs. Mayerchuk of Coleman.

Door prizes were awarded to
Mrs. Clarence Clarke, Mitzi Moore
John Paul and Steve Rypien.

The next bingo will be held May
3rd when two large jackpot prizes
will be offered, \$165.00 for the first
blackout in 60 numbers and \$105.00
for the first blackout in 56 numbers

Calgary Power Ltd. Annual Report, 1960

The Directors of Calgary Power
Ltd. in their Annual Report for
1960 issued recently, noted that
the Company's load went over the
two thousand million kilowatt-hour
mark for the first time, and was
an increase of 10.1 per cent above
that of 1959.

Although the increase was less
than experienced in the previous
year, the lessening rate of load
growth is due, at least in part, to
the clear mild fall and winter, as
well as to a temporary slowing of
expansion in the province.

The company increased its prop-
erty account by 11 1/4 millions of
dollars from \$131,964,611 in 1959,
to \$143,221,049 in 1960.

This increase was due mainly to
the completion of additions of 86,
000 kilowatts of hydro power to the
Spray-Rundle plants near Can-
more, work progressing on new
steam generation and the coal
mine at Wabamun, west of Ed-
monton, together with various
transmission lines and sub-stations.

The gross revenue from opera-
tions amounted to \$25,671,780, an
increase of 10 per cent over the
previous year. The net income be-
fore dividends increased to \$6,
246,259 from \$5,598,235. \$3,611,259
of the net income was retained for
use in the business.

Recreation Leadership School at Red Deer

Red Deer will be the site of the
1961 Recreation Leadership School,
sponsored by the Community Re-
creation Bureau of the Alberta
Government's Cultural Activities
Branch. The school, which will be

conducted for the 23rd year, will
be held from July 10 to August 5.

This year the school, designed to
train community recreation lead-
ers from all parts of the province,
will have new spacious classroom
facilities at Red Deer's River Glen
School. Increased safety measures
at the Red Deer Composite High
School dormitories have been com-
pleted with the installation of an
automatic fire alarm system.

The large gymnasium, situated
near the high school campus, will
also be available for this year.

Included on the 1961 syllabus of
studies are complete training pro-
grams for first and second year
students. First year subjects in-
clude compulsory courses in re-
creation leadership, anatomy and
first aid, group games, keep fit,
community singing and square
dancing and round dancing.

Available are also three option-
al subjects. Compulsory subjects
for second year students include
recreation workshop, social recre-
ation, community singing, and in-
dividual sports. Four optional sub-
jects are available to second year
students.

A general course on educational
gymnastics will be provided for
first and second year students on
an optional basis. Miss M. Cald-
well, principal lecturer in physical
education at the City of Coventry
Training College, England,— will
conduct the training program.

It is estimated 200 students will
attend the summer school. Eight-
een instructors will be needed.

Every community in Alberta is
eligible to nominate candidates for
the school. Candidates are required
to be nominated by the local
recreation body or other respon-
sible organizations, be physically
fit, prepared to provide leadership
in the community and be 17 years
of age prior to July 1961.

Those candidates under 21 years
of age must have minimum grade
10 education.

Applications for the Recreation
Leadership School are available
from the Community Recreation
Bureau, Room 425, Legislative
Bldg., Edmonton.

Last year 81 cancer research pro-
jects were supported by the Cana-
dian Cancer Society.

Beware of thin ice

The beginning of Spring marks the season of rotten ice.

At this time of year no one should venture on frozen rivers, lakes or ponds. Red Cross water safety officials warn that two feet of firm looking ice may be saturated with water and the slightest temperature pressure will cause it to crumble.

Each year ice accidents bring tragedy into the lives of Alberta families. These tragedies are caused by children and adults walking or skating on thin ice and by hunters neglecting to check ice before crossing rivers or streams. All of these accidents could have been prevented if the rules of ice safety had been observed.

To ensure "Fun Without Fatalities" Red Cross safety instructors urge sports enthusiasts to practice the following safety measures when participating in outdoor recreation this Spring.

- 1.—Make sure the ice on rivers, sloughs and lakes is at least two inches thick before you skate.
- 2.—Have a ladder, pole, plank or tree branch available in case of break-through.
- 3.—Stay close to shore . . . Do not gather in groups unless the ice is thick.
- 4.—Remember — thin ice bends and will trip skaters who frequently fall and break through.
- 5.—Small bodies of water such as pools, ponds and slow-flowing streams offer the safest condition for outdoor skating. Large bodies of water do not freeze as fast and ice formed over swiftly moving water is hazardous.

6.—Testing ice with a hockey stick or ski pole is a foolish practice. Neither of these objects has sufficient weight to be of any use.

7.—Skaters should remember — that new ice weakens with any rise in temperature. It is unsafe to go on hazardous areas of newly-frozen surface when alone.

8.—Skating, ice boating or skiing and tobogganing behind cars after dark is dangerous.

Film Hi-Liters . . .

For your programs in April from your Film Council stock, we recommend, from R. H. Crabb,

Variety Shop in Blairmore: 5BX Plan For Physical Fitness—13 mins., B&W

The Royal Canadian Air Force, as a service to the public, shows in this film the five basic exercises that keep our airmen trim, lively and alert. Done regularly, the five basic exercises are guaranteed to produce a level of physical fitness that will add zest to life.

The Teens—27 mins., Color

Two boys and a girl demonstrate in their attitudes and actions the basic similarities of teenagers of the ages 13 and 15 and, at the same time, the individual differences deriving from their developing personalities.

The Riches of the Indies—30 mins., B&W

This film takes stock of the economic situation as it existed in the West Indies in the year of federation. It shows the development programs to stimulate production of all kinds and notes Canada's interest in helping the new nation achieve a sound economy.

Money Bees and Pollination—30 mins., Color

A color film showing the relationship between the activity of bees and the fertility of field and orchard crops. Much of the film is in close-up so that the process of cross-pollination of flowers by bees can be clearly observed.

Western Brigade—30 mins., B&W

This story from Vegreville, Alberta, shows us how a fire brigade which was the joke of the town became the "best doggone fire brigade in the West". We see what happened in Vegreville as part of a co-operative program being carried out throughout the province.

Elks Bingo Winners Named

The Coleman Elks regular bingo

night was held Friday, April 14, and although the \$200 cash jackpot prize was not won in 52 numbers the consolation prize was split by Mrs. Annie Fleming and Mrs. Garner of Coleman.

Other prizes were won by: Sheets and pillow cases, Dorothy Day.

Ironing board, Annie Fleming.

\$14, Charles Sloman.

Hostess chair, Mitzil Moore.

\$12.50, Violet Wavrecan.

\$10, Harry Gates.

\$10 Muriel Ingram.

Grocery hamper, split between Rina Rinaldi and Joe Krywolt, sr., both of Coleman.

Grocery hamper Annie Sprlak of Blairmore.

Pair of tires, Mrs. P. Rosio of Bellevue.

Other prizes were split by: 30 gallons gas, Mrs. R. Yeliga and Sofie Lepacek of Coleman. \$25.00, split by Mrs. Betty Aschacher, Mrs. Lillian Montalbetti of Blairmore, and Harry Gate of Coleman.

Consolation prizes were awarded to Faye Campbell, Anna Jones, Mrs. Mayerchuk of Coleman, and Mrs. Sprlak and Betty Aschacher of Blairmore.

The next bingo night will be held on April 28th when a jackpot prize of \$300 will be offered for the first blackout in 53 numbers.

POLIO VACCINE AVAILABLE TO ALL ADULTS—ALSO AVAILABLE THROUGH YOUR FAMILY PHYSICIAN — Polio Booster Recommended One to Four Years After Series

CALGARY POWER LTD.

SERVING THE PROVINCE OF ALBERTA

Does the picture on the left look familiar? Not any more thank goodness! Blue Monday was certainly a suitable name for washdays fifty years ago. Do you remember the boilers of water set to heat on the coal and wood stove? The job it was filling the wash tubs, the back-breaking labour of washing with a washboard or hand-powered tub? It was not only a messy business but hard work too.

Today — just a flick of a switch fills your automatic washer. Clothes are washed easily, more efficiently with no effort on your part. Damp clothes are transferred to your automatic electric dryer . . . damp dried for easy ironing . . . or fluffly dried, ready to be folded and put away. Electricity — the modern miracle — works for you not only on washdays but in every way, every day.

Roxy Theatre

Show Times - Monday to Friday, 1 show, 8.00 p.m.
Saturday at 2 p.m., 7 p.m. and 9 p.m.

SEND FOR FREE HOUSEPOWER

Planning Guide

Know your home's electrical system

This new form includes five easy step directions on how you can plan the Housepower for your home. It's an interesting experience to review your present electrical equipment and plan for your home's electrical modernization. On a special scaled chart, you can locate all your electrical equipment for kitchen laundry, workshop, etc. Once you have your modernization plan, you should call your electrical contractor to assist with final drawings and for a firm estimate.
